THE most reliable Cushion used on Billiard Tubics is the Cat-Gut Cushion, Manufactured by KAVANAUGH & DECKER, and patented December 18, 1800. Beer becautifie American, Vol. 16, No. 11.

It is the only Cushion that possesses all the qualities secontial to a Perfect Cushion. 3t is the most cla tic and most durable Cushion ever offered to the billhard-playing public, as is abundantly proven by the great command for it among the introduction. The peculiarity which distinguishes the Cat-Gut Coshion and renders it superior to all others, is the tightened code of cat-gut which overlies the fact substance of the major and runders and runder and runder and runder and runder and runder and runder of the cat-gut which overlies the lace and steps of the major, and running the full length of the Cashion, which prevents the ball from bedding into the rubber and jumping from the labber to the elasticity of the Cashion.

The Cat-first Cushion has already been rubbled to over 1000 tables, which are in consent task. It can be applied to tables of any make, at 750 per set.
